## How to book a party.

Your Jewelrecycle rep will help you plan your Gold Party from start to finish and be there during the party to evaluate your jewelry and pay you and your friends cash on the spot.

Here's How It Works:

### 1. Set the Date

You pick a date that's convenient for you and your friends to get together. Once you've nailed down those details, the hard part is done!

### 2. Mail the Invite

We'll provide you with postcard invitations to send out to your friends and family. Remember, the more people you invite, the merrier. And the more gold and other jewelry you and your friends bring – the more money you'll make!

### 3. Have a Jewelrecycle Party!

Get creative. Throw a party that is tailored to you and your friends' interests. For instance, you might want to pick a theme like wine tasting, a "Potluck O' Gold" Irish Party, or even a poker night. Some people prefer quick get-togethers while others might like to make a night out of it. It's completely up to you.

At the party, your Jewelrecycle rep will take about 5-10 minutes to go through each guest's jewelry depending on how many items they have. The rep will offer cash on the spot. The value of your items will be based on the current price, weight and purity of your metals and diamonds as well as resale value. And remember, there is no obligation to sell.
